USB FlashDrives

USB FlashDrives

Choose from our extensive range of USB FlashDrives: traditional, executive, modern, recycled, sustainable, innovative or create your own! Only the highest quality chips are used in our FlashDrives.

Pantone matched shells are available from 300 pieces at no extra cost (custom colours not available on pen models). A wide range of packaging options are available, see page 29 for details. Please see the colour guides on each image for standard colours available. Custom colours available on most models from around 300 pieces at no extra cost.

UK Stock Model - 13151UKS

Lozenge shaped FlashDrive with a choice of 4 colourful highlights and a large silver print area. 24hr despatch for plain stock and 72hr despatch for printed orders.

Custom FlashDrives

For a unique promotion, consider having a FlashDrive made to match the shape of your own logo, design or corporate message. Choose from simple 2D or more complex 3D shapes, hard and soft PVC shells or die cast metal bodies. Branding in full colour, slim USB connector or metal USB plugs – the choice is yours. If you can provide a copy of the shape you would like to reproduce, we can provide you with an estimate on tooling and unit costs.

Hard PVC Style: Min around 2000 pieces.

Silicone Style: Min around 500 pieces.

Holster Style: Min around 500 pieces.

Die Cast Style: Min around 2000 pieces.

Please call for details of additional tooling costs.

Packaging

Most of our FlashDrives can be supplied in any of the packaging options shown below. Other packaging options available, please call for details.
